Ton van Zantvoort

Lovely Planet

Netherlands | 2010 | 8 min. | miniDV | 16:9 | colour | stereo | no dialogue

director, camera, sound: Ton van Zantvoort
production: NEWTON film

A psychedelic trip through the eyes of a backpacker, who is also questioning the appropriateness of the critical mores of the Lonely Planet authors. Starting with a parachute jump, frequently manipulated images fly by at breakneck speed.

Made for 'Beats Backpacks and Buddha' in corporation with Submarine.

International Film Festival Breda 2010

distribution: festivalselectie
